

Gulf Select

Synthetic Oil System Cleaner Concentrate #GS430

Product Description

Gulf Select Synthetic Oil System Cleaner contains No Hazardous Solvents which can cause seals to weather, become brittle and harden. Solvent cleaners remain within the engine and dilute the new engine oil. **Gulf Select Synthetic Oil System Cleaner** is safe and effective and is formulated with high quality base oils to carry strong detergents and dispersant additives that clean and remove sludge, varnish and deposits from the engine.

Features and Benefits

- Fights varnish & sludge deposits
- Maintains a cleaner engine and prevents excessive engine wear
- Provides resistance to thermal and oxidative oil breakdown
- Prevents horsepower loss

SYNTHETIC OIL SYSTEM CLEANER CONCENTRATE
